- Average savings of 25 cents per gallon
- Convenient mobile and web app with fuel discount map
- Free credit data on over 85,000 brokers and shippers

How to Maximize Your Reach: Tips for Getting More Leads

1 PUT YOUR LANDING PAGE WHERE PEOPLE CAN SEE IT

Placing your landing page link in high-traffic areas, such as video descriptions, bios or social posts, makes it easier for people to access!

2 MAKE THE MOST OUT OF MARKETING

RTS is backed by a marketing team that can create customized graphics, copy for social posts and more.

3 BE ACCESSIBLE AND RESPONSIVE

The comments section is a great place to turn followers into leads by answering questions and reposting your landing page link for those who may have missed it.
